Valuable Information Shared:

Our guest speaker for February; Tara came all the way from Colorado to share about the benefits of using **Integrated Loan Assistance**. This company helps new buyers qualify for home loans and helps refinance candidates obtain more affordable rates. They address credit issues with the 3 major bureaus. They also assist in clearing up incorrect information they may have that would otherwise possibly keep them from being approved for a mortgage loan. **Integrated Loan Assistance** helps clients to be prepared with the tools needed to successfully manage their finances properly, as credit affects every industry in today's world.
