Valuable Information

Our Guest Speaker for the month of March was Mr. Bill Risser with Fidelity National Title. Bill is an absolute expert in utilizing social media and digital technology. Facebook, Instagram, Twitter are all social media networks that with the proper knowledge can help you to grow your business. Bill is offering classes on using these applications to get you the maximum information that is up to date for more success in the industry. You can contact your local Fidelity Title office for his class information and dates. Bill also gave information about cyber fraud and highly recommends using "Authenticator Apps" to help protect your emails from hackers. We hope we can get Bill back as a speaker again in the future. Great info!
